Sports Update

ISD HS Football - ISD lost to North Adams, Michigan last Thursday, 61 to 0. ISD is a young and inexperienced team. Almost all of our players are in their first year. The team consists of mostly freshmen

and juniors. The team will improve with experience and seasoning. ISD started the season with only 19 players in summer camp. But, many new players have joined the team as they enrolled at ISD. The team now has 30 players and much raw talent. Everyone needs to be patient with the team's progression. We hope our three seniors and our juniors will speed the process. The team also lost to Florida Deaf 35 to 6. Our defense really needed work so our offense has an opportunity.

ASL Stories - The Elementary Department is sponsoring monthly story telling sessions for groups of their students starting in September. Two groups will attend the sessions running from 10:00 am to 10:30 am and then from 10:30 am to 11:00 am. Guy Vollmer and Jonas Fenicle will coordinate the activities and guest storytellers. All activities will take place in the Elementary Gym. The dates are: September 28, October 19, November 30, December 12, January 25, February 22, March 22, and April 26.

Coaches Needed - We have some openings in our Athletic coaching staff. If interested, please contact Brian Bippus at BBippus@isfd.state.in.us if you are interested.

- MS/HS Cheerleading
- HS Boys Swimming
- HS Boys Basketball JV and Assistant Coaches
- HS/MS Wrestling Assistant Coaches
- HS Boys Track Assistant Coach
- HS Girls Track Assistant Coach

Volunteers Needed - A few more weeks still remain before Homecoming Day arrives on Saturday, September 15th!!! We still need 5 volunteers to bring their convertible cars to drive the Homecoming Queen candidates at the halftime. The football game will begin at 2 p.m. against Maryland. If you are interested, please let Brian know at BBippus@isfd.state.in.us Thanks!!!!

Hall of Fame Induction Banquet - The Indiana School for the Deaf Athletic Department announces the 1st ISD Hall of Fame Induction Banquet at the Ola Mary Brown Cafeteria, ISD, on Saturday evening, September 15, 2001 at 6:00 p.m. Tickets will be sold for \$20.00 per person which will include admission to the homecoming football game, (ISD vs. Maryland School for the Deaf) and girls' volleyball games.

The ISD Hall of Fame Committee has selected their first inductees - Albert Berg, Jacob Caskey, Frank Kaiser, Leslie Massey, Jerome Moers, Arthur Norris, Lola Pfeifer, Ann Reifel, Jess Smith, and Charles Whisman. They will be honored at the Hall of Fame Banquet.

For tickets, contact Brian Bippus, (317) 920-6321 TTY or bbippus@isfd.state.in.us; Jackie McBroom, jmcroom@isfd.state.in.us or ; Gale Walker, gado@prodigy.net; Ken Murray, kenmur24@aol.com and Jerry Cooper, jerlin41@hotmail.com. There are a limited number of seats for the banquet. Buy your tickets now.

The Hall of Fame Committee also requests your support by sending your contribution as a sponsor. You may choose one of three levels of sponsorships; Gold - \$25 or more; Silver - \$15 to \$24; or Bronze - up to \$14. The contributor's name will be printed in the Hall of Fame Banquet Program Book. Please send your contribution before September 5, 2001 to Mr. Brian Bippus, Athletic Director, 1200 E. 42nd St., Indianapolis, IN 46205-2099, and make the check payable to the ISD Athletic Department.

Opportunities

Project HIKE Walk-a-Thon - Indiana Job's Daughters (an organization for girls between the ages of 11-20) is having a walk-a-thon to raise money for our philanthropic project HIKE (Hearing Impaired Kids Endowment). Our HIKE is going to be on 10/7/01 at 2:00 pm at the Indianapolis Motor Speedway. Yes, we are going to "Trek the Track" for HIKE! Everyone is invited to join us - the public is WELCOME!!! Registration forms are available by contacting HIKEIndiana@aol.com - Registration Fee is \$10 per person and every participant will receive a T-Shirt. The Registration Form & Fee must be postmarked by 9/10/01 or there will be a \$20 Late Fee (\$30 Total Fee) for all registrations postmarked between 9/10/01 and received by 10/1/01. Unfortunately, NO registrations will be able to be accepted after 10/1/01 so get your registration form in early! See below.

Our motto is... "Kids Helping Kids" - we would LOVE to have 1,000 KIDS (regardless of age) "Trek the Track" for HIKE! Won't you join us? The supporters of the project are Deaf Community

Services, Indiana School for the Deaf, Indiana Hearing Aid Company, Dr. Allen Diefendorf & Dr. Kera VonBlon, audiologists at Riley Hospital for Children. Thank you for support! For more information, contact Sandy Ward at HIKEIndiana@aol.com

Sports Update

Results from the 8th grade Volleyball Team - It was our first time to play against the Trader Point team. We beat them easily 15-9 and 15-4. In the first match, we didn't play our best, because of our bad serves. In the 2nd match, it was much better. Coach Aimee Bippus is proud of the two sub players who showed their eagerness on the floor, Ghislaine and Satish. **Special Announcement:** We are invited to play in a Four-team Tourney at Emmanus Lutheran on September 15th in the morning. Come and show your support! Our current record is 3-1, and our next game is at Bethesda this Thursday.

Coaches Needed - We have some openings in our Athletic coaching staff. If interested, please contact Brian Bippus at BBippus@isfd.state.in.us if you are interested.

Hello! Come trek with us! Sandy Ward, niece of ISD graduates Alberta and the late Charles Gee, from Job's Daughters is coordinating a 2 1/2 mile walk/run on Oct. 7 at 2:00 PM at the Indianapolis Motor Speedway. This money will benefit Deaf children by providing funding for children who need assistive devices, such as hearing aids, TTYs, closed captioning, etc. We hope both the ISD and the Deaf Community will be involved. We are sending registration brochures home with students today. **Let's talk together! YEAH!** The cost is \$10.00 if you complete the registration form prior to Sept. 10 (OR \$30.00 after that). Judy Cass has registration forms in her office and some are in the Assessment Center. A big brown envelope is in Pam Burchett's office for the checks and registration forms if you wish. She will submit this envelope on Sept. 8, so please hurry! Send your registration and check for \$10.00 to Pam. You may also send your registration directly to the HIKE Committee. **COME ON, LET'S GO!!!!** If you have any questions, please feel free to contact Pam Burchett, Anika Neal or Judy Cass.

Remotely Getting Your Email - To access staff email from anywhere in the world, you will need to be able to get on the Internet then point your browsers to <http://webmail.state.in.us>. On the left side, you select Email Services then Novell GroupWise, then Indiana School for the Deaf. You would use the same user ID and password you use on campus to log in. This method goes through the State's backbone before it reaches to our mail server in the Technology Center.

However, when you are on the campus, you can get better performance by pointing your browsers to <http://isdstaff>. This method is more direct to our mail server, and does not go through the State backbone.

News from the Technology Center - We have resolved the AVSYNMGR error issue. Many of you have seen this error when you logoff before you leave for the day and arrive in the following morning and attempt to log into your computer. This error appears, and it locks up your computer. We have a patch to fix this error and it will install the next time you re-login or restart your computers. We suggest you restart your computer(s) ASAP to avoid this issue in the future. The patch will start automatically. Once it is done, it will ask you to restart the computer. Please restart it so it can take effect immediately. Some of you will see "DDE Error" when you shut down the computer, just press "end task" so that it can shut down properly.

Animals in Vehicles - Recently, a lot of people have left animals in their vehicles on the ISD campus. Be aware that the temperature in the vehicle can get 15-20 degrees hotter than the outside temperature. Staff from Campus Police contacted the Animal Control Division about this problem. In the event this happens again, the animal will be removed from the vehicle, and the owner will be taken to court for cruelty to animal charges. Protect your animals! Please not leave any animals in your car at all

Mailroom Information – The Mailroom staff will no longer be selling stamps.

HS Teachers - All low grades/high risk athletes have a weekly grade report requiring them to see their teachers at the end of each week. Please record the student's grade on the report at the end of week. This will help athlete, coaches, and Athletics maintain their observation of student's school progress. If you have any questions, please feel free to contact Brian Bippus. Thank you for your help in assuring that these students remain on track.

Opportunities

ICAN – ICAN is a new software package that was developed by teachers at Fishback Academy in Pike Township. DOE is adopting it as utility package for teachers. It includes recordkeeping, developing IEPs, lesson plans based on DOE Academic Standards, an archive of lesson plans, electronic portfolios and many more features. Several of our Elementary teachers volunteered their time last summer to begin training on it. They are Danielle Griska, Linda Groogan, Sue Jones, Marie Kellum-Cook, Gretchen Krug, Mary Lou Ott, Becki Philhower, and USC. Thanks to them and the staff of Fishback Academy, ISD will very likely be chosen as one of ten pilot sites for the software. If you are interested in learning more about the software and being part of the pilot group, you're encouraged to attend one of the upcoming informational meetings.

ICAN will be holding ICAN Informational Meetings on the following dates: Tuesday September 25, Thursday October 11, and Tuesday November 13. All meetings are scheduled 9:30-11:30 at Fishback Creek Public Academy. The address is 8301 West 86th Street, Indianapolis, IN 46278. We are located on the Northwest side of Indianapolis in Pike Township. Please register for this meeting by emailing njwillia@pike.k12.in.us. The meetings will be general in nature. Detailed training will be scheduled at another time.

"Children of a Lesser God" - Ball State Theatre is performing Children of a Lesser God, Sept. 13-16 and 20-23. The shows are at 8 pm for September 13th-15th and 20th-22nd and at 2:30 pm for the 16th and 23rd. One of the actresses is deaf. Tickets are \$12 for general public; \$11 for Ball State faculty and staff, \$9 for senior citizens, and \$5 for students of all ages at the University Theatre Box Office. For more information or to order tickets, you can call (765) 285-8749 or e-mail to Trina Decker at nicomtrina@yahoo.com. The box office will now be open everyday (M-F) from 1 - 5 pm and an hour before show time. Tickets can be purchased with MasterCard or Visa (over the phone), or by check or cash at the window.

A brief description of the plot: After three years in the Peace Corps, James joins the faculty of a school for the deaf, where he is teaching lipreading. He meets Sarah, a school dropout, totally deaf from birth, and estranged both from the world of hearing and from those who would enter her world. When James struggles to help Sarah, the two fall in love and marry. Their love is quickly tested as discord develops between Sarah's activist ideas for the rights of the deaf and James's attempts to help bridge the gap between the two worlds."

Directions to the theater: take I-69 North to exit 41. (It will say Ball State University) Go on SR 332 East and will become McGalliard. Take this to Tillotson and turn right. Follow Tillotson past Bethel to Riverside. (If you want to eat dinner in Muncie before the show, I suggest the Thai restaurant to your right just after the gas station at this intersection.) The road will curve to the left just before the intersection. Get into the left lane; Riverside is to the left. Take Riverside past McKinley. Just after McKinley there will be two entrances to your left. Take the second one (to your left) (There is a short, brown sign that says Woodworth Complex.) and follow it around as it curves to the right. It will bring you to a parking garage. Park there. (If you miss the entrance, go to the stop sign and turn left. There is another one on this side.) Entrance is \$1. To get to the theatre, walk back in the direction of McKinley. Go toward and past the white brick building. (This is Pruis.) Just after this building you should see a sign to your left announcing the show. To your right should be a bunch of stairs and the library. The theatre is through the doors by the sign. If you get lost, the box office is open for one hour before the show starts.

Many Rip School-labeling Proposal

Overflowing crowd attends state hearing; scores who came from afar to be heard weren't.

By Kim L. Hooper

Reprinted from the *Indianapolis Star*, September 06, 2001

Hundreds of people jammed a State Board of Education public hearing Wednesday night where the topic was a school-performance labeling system. But many of those who had hoped to address the board -- including some who had come from the farthest corners of the state -- never got the chance.

About 400 people registered to speak. But after quickly filling the board room and two overflow conference rooms, about 200 participants were sent across the street to the Statehouse to follow the proceedings via teleconference. The garbled audio, poor sound and visual quality quickly sent them back across the street to the building where the hearing was taking place.

"This sounds like the McDonald's drive-through," quipped one Evansville educator. Others weren't so amused. "I really wanted to hear the discussion, but it's just impossible," said Christine Settle, principal of Reitz High School in Evansville, who drove 3 1/2 hours with 19 others to be at the hearing. "All of these people coming from all parts of the state, they want to be heard."

Some *were* being heard -- and what they said wasn't surprising. One after another -- school superintendents, teachers and parents -- implored the board to reject the descriptive labels, ranging from "exemplary" to "unsatisfactory," that had been recommended by the Governor's Education Roundtable as a way to assess school performance. Education board members have struggled for months with the labeling system required under a new state accountability law. Schools will be assessed based on passing rates and improvement on the Indiana Statewide Testing for Educational Progress-Plus exam.

Under the current proposal, more than half of Indiana's public schools would fall into the lowest two performing categories. Susan Larkin, who works at a Decatur Township school in Marion County, asked how her school -- which consistently has been honored by the state for excellence -- would be considered "marginal" under the proposed system. "I strongly oppose the categories," she said.

Urban school districts, which have higher enrollments of poor and disadvantaged children, have complained that such factors as student mobility and the impact on test scores aren't being considered. Steve Brace, president of the Fort Wayne Education Association, the teachers union for the state's second largest school district, called the proposal unfair.

"ISTEP should be used as a stethoscope instead of a sledgehammer," he told the board. The round table is an advisory group of educators, business leaders and lawmakers. The appointed state board, however, makes education policy decisions.

Many of those in crowded overflow rooms complained about the apparent lack of organization. "I think it was by design," said Diane Badgley of Richmond.

Sports Update

HS Volleyball - Indiana played Covenant Christian with a new line-up due to the illness of two starters. Candice Lisenby played her first match and contributed well in serve reception and defensive coverage. We rarely played our best and struggled to get into a groove. We finally sent them home with strong serving at the end. 9 - 15, 15 - 10, 15 - 12. Our current record is 6 - 5. The Player of the Match was Pia Marie Paulone with 13 serve points, 6 aces, and 4 kills

MS Volleyball - The 5th and 7th Grade Volleyball Team beat Traders Point last Tuesday, 15 - 2 and 15 - last Tuesday. We will play against Bethesda today. Do your best girls!!!

HS Cross Country - There were 17 runners in the boys' race at the Speedway meet. Jared Abney placed 10th with a time of 22:59. Nick Curtin placed 12th with 24:20, and Drew Robarge placed 16th with 31:04.

There were 8 girls in the race. Rachel Anderson placed 8th with 24:15. She improved her time from the last meet by 46 seconds. That weather was not that great as there was a lot of heat from sun. Give them your applause! Our next meet will be at Seccina on September 13th.

Educational Staff Waiver Day (September 7, 2001, 1:00 p.m. - 3:00 p.m.). - The Educational Staff will meet in the auditorium at 1:00 p.m. on Friday, September 7, 2001 for the first in this year's series of waiver day activities. We will discuss the tasks ahead of us for North Central Accreditation and to meet the requirements of Public Law 221. All students will be dismissed at 12:30 p.m. Varsity high school football and volleyball team members will report to the dormitories and be supervised by the Student Life Staff until their activities begin. High School and Middle School will be running a Half Day A.M. Schedule tomorrow.

Half Day AM Schedule

Education Division News - There will be a special Activity Period next week on Friday, September 14, 2001 for the high school, middle school and elementary fall athletes. It will be a Student Recognition Assembly and Pep Rally for Homecoming. The activity will be held in the auditorium and will run from 10:15 - 11:00 a.m.

Previously in the Daily Bulletin it was stated that the Deaf Heritage Week Committee in conjunction with the ISD PTCO would sponsor an ice cream social for all departments during their respective lunches on Friday, September 14, 2001. That plan has changed, and we will be celebrating Clerc's and Gallaudet's birthdays in December with a special luncheon treat. More information will appear at a later date.

Two articles have previously appeared in the DB regarding animals on campus. One talked about the dangers of leaving pets in vehicles while the other addressed animals on campus for educational purposes. Members of the school community have also asked about bringing pets to public events. Most of those inquiries regard dogs. School policy is that any pet brought on campus must be on a leash, and the owner must clean up after the pet. Thank you for your questions and cooperation on these issues.

Picture ID Badges - If you need an ID badge, please have someone take your picture in your department using the various digital cameras. The disk can then be sent to Greg Wright for printing. Thank you.

AUL Rep - The AUL Representative will be on campus today from 11:00 AM to 3:30 PM for any one wanting to sign up or change a Tax Annuity. He will be located across from the payroll office Room G21.

Off Road Jamboree - The Indiana State Fair will host the 4 Wheel Off Road Jamboree from September 21 to 23. They will be using our property to park cars. The southeast lot will be fenced off on September 19. Participants will use the gates in those areas for vehicles to enter and exit. Please contact Greg Wright if you have any questions. This is the same event that has parked on campus for the past four or five years.

Distance Learning – One of the Distance Learning classrooms is available in the Vocational Building for teachers and their students to access programming through the Vision Athena Network. The classroom is available throughout the day. There are **53** different content providers including IU, the Aquatic Research Center, the Minnetrista Cultural Center and the Virtual Indiana Elementary School Network on the Vision Athena Network. More than **500** events are currently listed in the catalogue with more being added each week.

You can access the catalogue to find events that connect with your classroom projects, units and subject matter by going to the Vision Athena Catalogue website at <http://www.visionathena.k12.in.us/va/content/events/search.asp>. The catalogue can be searched by subject area, grade level or by keyword. If you are interested in scheduling something from the catalogue, please contact Dan Stutler or Wanda Kirby.

FIREBALLS TO THE GROUNDS STAFF!

Our appreciation goes to Danny Cooper and his grounds staff for their landscape maintenance throughout campus. The trimmed hedges look great. Adding ornamental kale, yellow pansies and mums makes the changing season more beautiful for all of us. We appreciate all that you do! It's a tough job with few resources except your hard work!! Thanks to all of you!!

Announcements

CRU's Explained - Earlier this year, staff members who had participated in the series of in-services conducted at ISD last year received official forms stating how many Continuing Renewal Units (CRU's) they had earned. Several staff members were not clear about what to do with either the forms or the CRU's. In fact, CRU's can be used for renewing your license or applying for a license increment (MA, MA+ 15, MA + 30, etc.) The formula for using CRU's is that 15 Continuing Renewal Units equal one (1) semester credit hour. Therefore, staff members should keep all documentation of earned CRU's and turn them into the Professional Standards Board along with all other official university transcripts when the time comes to meet license requirements or increments.

Flu Shot - The ISD Health Center will again host a flu clinic on Tuesday October 16 from 2:00 – 4:00 PM. Flu shots will cost \$15 and Pneumonia shots will cost \$25 this year. The clinic will be provided by "Coming of Age," and checks should be made payable to that name. This clinic is open to students, their parents and ISD staff. Please contact the HC if you have any questions.

Hall of Fame Induction Banquet - The Indiana School for the Deaf Athletic Department announces the 1st ISD Hall of Fame Induction Banquet at the Ola Mary Brown Cafeteria, ISD, on Saturday evening, September 15, 2001 at 6:00 p.m. Tickets will be sold for \$20.00 per person, which will include admission to the homecoming football game, (ISD vs. Maryland School for the Deaf) and girls' volleyball games.

The ISD Hall of Fame Committee has selected their first inductees – Albert Berg, Jacob Caskey, Frank Kaiser, Leslie Massey, Jerome Moers, Arthur Norris, Lola Pfeifer, Ann Reifel, Jess Smith, and Charles Whisman. They will be honored at the Hall of Fame Banquet.

For tickets, contact Brian Bippus, (317) 920-6321 TTY or bbippus@isfd.state.in.us; Jackie McBroom, jmcBroom@isdfd.state.in.us or ; Gale Walker, gado@prodigy.net; Ken Murray, kenmur24@aol.com and Jerry Cooper, jerlin41@hotmail.com. There are a limited number of seats for the banquet. Buy your tickets now.

The Hall of Fame Committee also requests your support by sending your contribution as a sponsor. You may choose one of three levels of sponsorships; Gold - \$25 or more; Silver - \$15 to \$24; or Bronze - up to \$14. The contributor's name will be printed in the Hall of Fame Banquet Program Book. Please send your contribution before September 5, 2001 to Mr. Brian Bippus, Athletic Director, 1200 E. 42nd St., Indianapolis, IN 46205-2099, and make the check payable to the ISD Athletic Department.

Sports Update

HS Football - ISD lost to Union Dugger last Friday- 41 to 8. We played hard, but we still got some ways to go and some areas we need to work on. Our passing defense needs more work. We need to work on our pass rush attack and pass protection even though our offense did made some progress. Blocking and tackling still needs to continue to improve. UD had two key players that we couldn't stop. Onye Davis in his first game with us has rushed 18 times for 82 yards. We need to be patient with our team due to their youth and inexperience. FYI- JV Practice games- ISD lost to Manual 34 to 6. ISD lost to Tech 6 to 0.

Recycling at ISD - Last week, the Recycling Committee for ISD met with the members of the Indiana Greening the Government group and with an employee from Ray's Trash Service. We discussed what was taking place on campus regarding recycling. During their time, they noticed that there were pop can bins located in various areas. I also know that cans are being collected in the residence halls. Could you please contact me if you are working on collecting cans in your work area and who is responsible for the recycling of these cans? Thank you for doing your part in keeping Indiana Green! For current information, visit the website at www.state.in.us/greening.

- ✓ Do inform supervisor and/or obtain supervisor approval.

From Superintendent Stailey to All Employees - A Task Force to look at possible cost savings and collaboration with the Indiana School for the Deaf (ISD) and Indiana School for the Blind (ISB) has been established, and the first meeting was held yesterday, Monday, August 27, at the ISB. The second meeting has not been scheduled, but all meetings are open to the public and you will be informed of the date, time and location of the next meeting. The Task Force Chairpersons are Julie Newland, ISB School Board Member, and Greg Gantt, ISD School Board Member.

The Task Force decided that Acting Superintendent/Principal Jim Durst from ISB and Interim Superintendent George Stailey will request information from the ISB/ISD Communities about cost savings and collaboration ideas. If you have any ideas for cost savings and/or collaboration, please send your ideas to my office. I will share them at the next meeting of the Task Force. Thank you all for your support and for any suggestions.

The next meeting of the ISB/ISD Cost Savings and Collaboration Task Force will be on Monday, September 24, from 3:00 p.m. to 5:00 p.m. in the ISD Irene Hodock Library in Alumni Hall. The meetings are open to the public.

Fire Alarms - The State Fire Marshall has received an anonymous call regarding the fire alarm system in Buildings 4 and 5 (Willard Hall and Elementary School). The Fire Marshall was here to inspect the situation during the Indiana State Fair and, as of August 20, 2001, the buildings have been approved. There are no violations in the buildings related to the fire alarm system. Thank you for your attention to this and please feel free to contact Chief Wright or me should you have any questions. - George M. Stailey, Superintendent

CRU's Explained – Earlier this year, staff members who had participated in the series of in-services conducted at ISD last year received official forms stating how many Continuing Renewal Units (CRU's) they had earned. Several staff members were not clear about what to do with either the forms or the CRU's. In fact, CRU's can be used for renewing your license or applying for a license increment (MA, MA+ 15, MA + 30, etc.) The formula for using CRU's is that 15 Continuing Renewal Units equal one (1) semester credit hour. Therefore, staff members should keep all documentation of earned CRU's and turn them into the Professional Standards Board along with all other official university transcripts when the time comes to meet license requirements or increments.

Flu Shot - The ISD Health Center will again host a flu clinic on Tuesday October 16 from 2:00 – 4:00 PM. Flu shots will cost \$15 and Pneumonia shots will cost \$25 this year. The clinic will be provided by "Coming of Age," and checks should be made payable to that name. This clinic is open to students, their parents and ISD staff. Please contact the HC if you have any questions.

Hall of Fame Induction Banquet - The Indiana School for the Deaf Athletic Department announces the 1st ISD Hall of Fame Induction Banquet at the Ola Mary Brown Cafeteria, ISD, on Saturday evening, September 15, 2001 at 6:00 p.m. Tickets will be sold for \$20.00 per person which will include admission to the homecoming football game, (ISD vs. Maryland School for the Deaf) and girls' volleyball games.

The ISD Hall of Fame Committee has selected their first inductees – Albert Berg, Jacob Caskey, Frank Kaiser, Leslie Massey, Jerome Moers, Arthur Norris, Lola Pfeifer, Ann Reifel, Jess Smith, and Charles Whisman. They will be honored at the Hall of Fame Banquet.

For tickets, contact Brian Bippus, (317) 920-6321 TTY or bbippus@isfd.state.in.us; Jackie McBroom, jmcbbroom@isdfd.state.in.us or ; Gale Walker, gado@prodigy.net; Ken Murray, kenmur24@aol.com and Jerry Cooper, jerlin41@hotmail.com. There are a limited number of seats for the banquet. Buy your tickets now.

The Hall of Fame Committee also requests your support by sending your contribution as a sponsor. You may choose one of three levels of sponsorships; Gold - \$25 or more; Silver - \$15 to \$24; or Bronze - up to \$14. The contributor's name will be printed in the Hall of Fame Banquet Program Book. Please send your contribution before September 5, 2001 to Mr. Brian Bippus, Athletic Director, 1200 E. 42nd St., Indianapolis, IN 46205-2099, and make the check payable to the ISD Athletic Department.

Key Responsibility Areas for Education in 2001-2002

E-1 – Academic Standards and Curriculum

All students will leave ISD having demonstrated competence over challenging (department and age appropriate) subject matter including English, ASL mathematics, science, foreign Languages, civics and government, economics, arts., history and geography, and ISD will ensure that all students learn to use their minds well so they may be prepared for responsible citizenship, further learning, and productive employment in our Nation's economy.

- The number of students participating in an individually challenging course of study will increase.

Performance Indictors

- a. The percentage of students completing the CORE 40 Curriculum will increase.
- b. The number of students in the academic honors diploma program or entering advanced placement into local universities while students will increase 10%.
- c. The number of students taking SAT and/or ACT in preparation for admission to college will increase 10%.
- d. The percentage of students participating in postsecondary endeavors upon graduation (education and employment) will increase to the point in which each student has a postsecondary plan.

FIREBALLS At WORK

Special Thanks - A special thank you goes out to all of the people who put forth an extra effort to work the football homecoming and make it a special event.

- Brian Bippus for organizing homecoming and the First Annual ISD Athletic Hall of Fame banquet
- Sharon Baker and Mary Kovatch for stepping in and helping the cheerleaders during the past month
- George Stailey, Tammy Hossler, and John and Amy Fenicle for providing the convertible cars for the homecoming court
- Jeff Richards for being the "Host with the Most" at the Hall of Fame Banquet Saturday evening
- Congratulations to Brooke Aldrete for being elected as homecoming queen

The weather was beautiful, and everyone enjoyed themselves.

Sports Update

7th/8th Grade Volleyball – The 7/8th Grade Team played in the Emmaus Tourney last Saturday, September 15. In the first game, we played Emmaus Lutheran and lost to them. The players weren't mentally ready for the 3 matches. We made many errors in all matches but 1st match; we won 16-14 in the first match. We lost the next 2 matches, 8-15 and 5-15. In our second game, we played against a losing team, Our Shepherd. We beat them easily. Micaela served 15 straight and won the 1st match and 2nd match. Coach Bippus had all of the sub players play the whole game and won 15-9. We placed 3rd out of 4 teams. We have a trophy and will put it in MS with the other sports trophies. Our next home game is on Tuesday against St John Lutheran.

ISD Hall of Fame – On Saturday, Sept. 15, fifty-two attendees witnessed the first Athletic Hall of Fame Ceremony for ten inductees. At 6:15 p.m., Master of Ceremonies, Jeff Richards, began the banquet with an invocation by Ruth Ann Glessner. Kahn's serving delicious chicken and vegetables with Caesar salad, sliced fruits, and a huge slice of carrot cake catered the event. Brian Bippus, HOF Chairperson, gave opening remarks on how HOF had started and thanked the committee for all of its work made to make this

special night possible. The award ceremony proceeded by honoring and inducting ten inductees: Albert Berg, Arthur Norris Sr., Lola Pfeifer, Jacob Caskey, Charley Whisman, Frank Kaiser, Jerome Moers, Leslie Massey, Jess Smith, and Ann Reifel. Ten 12" by 15" plaques honoring each of the inductees will be placed on the walls in the Caskey Building. An amazing fact is that the 10 inductees had played, coached, taught, administered, and wrote for ISD and ISD Athletics for an astounding total of 293 years!!!! Comments from the attendees included: "Delicious meal!"....."Fantastic Facts"....."Enjoyed every moment"....."Learned more about ISD's rich history and moments"....."Glad I came tonight"....."Wish I was present during their times" The next ISD Athletic Hall of Fame will be in Fall 2003 on the Homecoming night.

HS Football - ISD played Maryland Deaf Saturday at the ISD Homecoming. ISD lost its Homecoming against a better team. Maryland outplayed us with many of their experienced seniors vs. our young and youthful inexperienced juniors and freshmen. We lost with the score of 56 to 0. Even though we lost the game, the Homecoming event was wonderful. That includes the good sportsmanship, interaction, and socialization between the MSD and ISD players. The football coaches of ISD and MSD really had a nice time chatting and sharing ideas. MSD and ISD coaches would like to retain our ties and competitiveness in the future. Please continue to root and support our football players, the Deaf Hoosiers! We will get better and better. - Coach David Reynolds

HS Volleyball - ISD split 2 matches with Maryland Deaf during the Homecoming Day. We agreed to play 2 matches, 10 - 15, 14 - 16. They didn't beat us, as we beat ourselves with too many errors in our serving, attacking, and coverage. We regrouped and refocused on the task of giving MSD their first loss of the season (8 - 1). We played better and reduced our errors drastically in the 2nd match, 15 - 11, 15 - 11. We will face them again at Spike Out III on September 28-29th at the Kansas Deaf School. Our record is 8 - 7.

ISD's Ties to New York - One of our scuba instructors, who has worked with our students for the past two years, is also a Tactical Rescue Fireman for the Indianapolis Fire Department. His name is Greg Patterson.

Our students really admire him and have loved working with him. He is one of the team of Indiana firemen who went to New York to help rescue survivors and clean up the carnage in New York.

Flu Shot - The ISD Health Center will again host a flu clinic on Tuesday October 16 from 2:00 – 4:00 PM. Flu shots will cost \$15 and Pneumonia shots will cost \$25 this year. The clinic will be provided by "Coming of Age," and checks should be made payable to that name. This clinic is open to students, their parents and ISD staff. Please contact the HC if you have any questions.

University of Kentucky hosts NATIONAL EXHIBIT OF DEAF HISTORY - Sept. 10, 2001 -- (Lexington, Ky.) -- The University of Kentucky and > the Kentucky School for the Deaf in Danville will host in October a national exhibit that chronicles nearly 200 years of U.S. deaf history. "History Through Deaf Eyes" features photographs, objects, replicas, text and an interactive DVD that highlight the little known history of deaf Americans. A section specific to Kentucky's deaf heritage is part of the exhibit, which allows its host to specialize an area of the exhibit. The exhibit was organized by Gallaudet University, a college for the deaf and hard-of-hearing in Washington, D.C. This is the second showing of the exhibit, which has been seen only in Hartford, Conn., at the American School for the Deaf. The American School, a privately funded institution created in 1820, is the first U.S. school for the deaf. The UK showing is co-hosted by the Kentucky School for the Deaf, the first publicly funded school for the deaf in the United States, which opened in 1823, and served as a model for public schools for> the deaf. Harvey Corson, Superintendent of the Kentucky School for the Deaf, served as a consultant to Gallaudet in creating the exhibition. "History Through Deaf Eyes" will open Oct. 1 with a special event from 3 to 5 p.m. in the

UK Student Center Great Hall. The exhibit will be open 11 a.m. to 5 p.m. Monday to Saturday through Nov. 3 in the Rasdall Gallery, adjacent to the Great Hall. The gallery may be opened by appointment for groups by calling (859) 257-5781. A lecture series is planned for Thursday evenings during the exhibit, and the gallery will be open extended hours during a lecture event. Following the UK showing, the exhibit will travel to William Woods University in Fulton, Mo. In 2002, the exhibit will be seen in Philadelphia; Rochester, N.Y.; and the Smithsonian Institution in Washington, D.C. "History Through Deaf Eyes" was made possible by a major grant from the National Endowment for the Humanities and support from The Motorola Foundation, The John S. and James L. Knight Foundation, The Rockefeller Foundation, SBC Foundation and the BFGoodrich Foundation.

Key Responsibility Areas for Education in 2001-2002

E-2 Staff Development

ISD staff and volunteers will have access to programs for the improvement of their professional skills and the opportunity to acquire knowledge and skills needed to successfully educate and work with Deaf and Hard of Hearing students.

- ISD will continue to offer professional development to ensure that the staff remains current on educational issues.

Performance Indicators

- a. The number of best teaching practices training sessions and the number of staff participating will be maintained or will increase.
 - b. The number of staff attending training opportunities in partnerships with LEAs, professional associations, and colleges and universities will increase.
- ISD will continue to evaluate ASL proficiency of staff and other ASL learning opportunities.

Performance Indicators

- a. The number of staff meeting expected proficiency levels will increase 20%.
 - b. The number of staff required to attend ASL learning opportunities will decrease 20%.
- ISD will ensure that compliance to confidentiality laws are in place.

Performance Indicators

- a. The number of staff trained to keep information about students, families and associates confidential will increase.
- ISD will ensure that new staff, volunteers, substitutes, and university and college are adequately oriented about the goals and philosophy of the program, emergency health and safety procedures, individual needs of children assigned to the staff members' care, guidance and classroom management techniques, child abuse and neglect reporting procedures, planned daily activities of the program, and expectations for ethical conduct.

Editor's Note

A detailed description of Key Responsibility Areas for this school year will appear this week and next week in the Daily Bulletin. The Performance Indicators denote how ISD will measure its performance on meeting this year's goals. Please reflect on how these Performance Indicators impact your job responsibilities. Each of you is instrumental in helping the school meet these goals.

FIREBALLS AT WORK

Belated Fireball to Marie Kellum-Cook who also provided a convertible for the halftime activities at Homecoming last Saturday

Performance Indicators

- The number of new employees (including all state, temporary and substitute employees) receiving orientation to ISD will be maintained or will increase.

Sports Update

HS Volleyball – The Lady Deaf Hoosiers played the Lady Eagles of Heritage Christian in a rescheduled match at ISD. It was our best match in terms of serving as we served 91% as a team. We played better than our first 2 matches with them earlier in the season. We kept the score close at 8 - 8 in the first game before they got away with 7 straight points, 9 - 15. The second match was one-sided as we got bummed with only 1 point, 1 - 15. Brooke Aldrete and Pia Marie Paulone assisted 7 and 6 times for Cherish Lewis and Erica Hossler's 7 and 6 kills. Our record is 8 – 8. The Player of the Match was Cherish Lewis with 7 kills, 4 points, and 100% serving

Overtime/Comp - Please do not figure out the Overtime/Comp Time at the bottom of your time sheet. This area is for payroll only. I get some that are figured out right, but I also get a lot that are figured out wrong. Please just enter your time, Overtime/Comp Time, on the appropriate line in the main body of the time sheet. I will figure out the rest. Thank you for your cooperation in this matter. – Donna Saine

From Superintendent Stailey to All Employees - A Task Force to look at possible cost savings and collaboration with the Indiana School for the Deaf (ISD) and Indiana School for the Blind (ISB) has been established, and the first meeting was held yesterday, Monday, August 27, at the ISB. The second meeting has not been scheduled, but all meetings are open to the public and you will be informed of the date, time and location of the next meeting. The Task Force Chairpersons are Julie Newland, ISB School Board Member, and Greg Gantt, ISD School Board Member.

The Task Force decided that Acting Superintendent/Principal Jim Durst from ISB and Interim Superintendent George Stailey will request information from the ISB/ISD Communities about cost savings and collaboration ideas. If you have any ideas for cost savings and/or collaboration, please send your ideas to my office. I will share them at the next meeting of the Task Force. Thank you all for your support and for any suggestions.

The next meeting of the ISB/ISD Cost Savings and Collaboration Task Force will be on Monday, September 24, from 3:00 p.m. to 5:00 p.m. in the ISD Irene Hodock Library in Alumni Hall. The meetings are open to the public.

Fire Alarms - The State Fire Marshall has received an anonymous call regarding the fire alarm system in Buildings 4 and 5 (Willard Hall and Elementary School). The Fire Marshall was here to inspect the situation during the Indiana State Fair and, as of August 20, 2001, the buildings have been approved. There are no violations in the buildings related to the fire alarm system. Thank you for your attention to this and please feel free to contact Chief Wright or me should you have any questions. - George M. Stailey, Superintendent

Found – Several weeks ago someone turned into me a scooter that was found propped up against the side of High School building. We feel it could have been left from the State Fair, but if someone has lost one and can identify the scooter then see Pam Lewis in the Alumni Hall Building, Room 117 and let her know what it looks like. Thanks.

University of Kentucky hosts NATIONAL EXHIBIT OF DEAF HISTORY - Sept. 10, 2001 -- (Lexington, Ky.) -- The University of Kentucky and > the Kentucky School for the Deaf in Danville will host in October a national exhibit that chronicles nearly 200 years of U.S. deaf history. "History Through Deaf Eyes" features photographs, objects, replicas, text and an interactive DVD that highlight the little known history of deaf Americans. A section specific to Kentucky's deaf heritage is part of the exhibit, which allows its host to specialize an area of the exhibit. The exhibit was organized by Gallaudet University, a college for the deaf and hard-of-hearing in Washington, D.C. This is the second showing of the exhibit, which has been seen only in Hartford, Conn., at the American School for the Deaf. The American School, a privately funded institution created in 1820, is the first U.S. school for the deaf. The UK showing is co-hosted by the Kentucky School for the Deaf, the first publicly funded school for the deaf in the United States, which opened in 1823, and served as a model for public schools for> the deaf. Harvey Corson, Superintendent of the Kentucky School for the Deaf, served as a consultant to Gallaudet in creating the exhibition. "History Through Deaf Eyes" will open Oct. 1 with a special event from 3 to 5 p.m. in the UK Student Center Great Hall. The exhibit will be open 11 a.m. to 5 p.m. Monday to Saturday through Nov. 3 in the Rasdall Gallery, adjacent to the Great Hall. The gallery may be opened by appointment for groups by calling (859) 257-5781. A lecture series is planned for Thursday evenings during the exhibit, and the gallery will be open extended hours during a lecture event. Following the UK showing, the exhibit will travel to William Woods University in Fulton, Mo. In 2002, the exhibit will be seen in Philadelphia; Rochester, N.Y.; and the Smithsonian Institution in Washington, D.C. "History Through Deaf Eyes" was made possible by a major grant from the National Endowment for the Humanities and support from The Motorola Foundation, The John S. and James L. Knight Foundation, The Rockefeller Foundation, SBC Foundation and the BFGoodrich Foundation.

peer Educator Program at ISD!!

The Student Life Division is EXCITED about the establishment of the Peer Educator Program. Cindy Pickering and her SL staff have worked hard to implement the program. The Peer Educator Program is designed to develop the leadership and helping skills of select group of students who have good behavior and academic records. The important aspect of the Peer Educator Program is that students feel more comfortable talking with Peer Educators, who are of similar age, share similar experiences or talk out problems without fear that an adult authority will judge their behaviors, thoughts and feelings. The Peer Educator Program has FOUR GOALS:

- 1) To encourage the personal growth and development of each Peer Educator through training and supervision;
- 2) To increase students' self-esteem, self-confidence, rapport, presentation and communication skills;
- 3) To become responsible for themselves and meet other students needs, and
- 4) To become aware of student personnel services (workshops/programs, recreation, support groups) available at the Indiana School for the Deaf.

The FIVE New ISD Peer Educators

Alan Beatty, Annalee Laird, Cherish Lewis, Candice Lisenby and Mike Camacho-Luna

They have already participated in evening activities such as: MS/HS Orientation—Introduction to the New Peer Educator Program and HS/MS Teambuilding Activities. They will attend in-service training twice a week. All of them have done a MARVELOUS job presenting themselves to our students. Please JOIN US in CONGRATULATING each of them, our new Peer Educators!!

Announcements

From Superintendent Stailey – On September 11, I issued an order to lock down the campus and cancel all afternoon and evening activities. The lock down will be lifted at 10:00 a.m. this morning, September 12, with the exception of access to campus.

The gate will remain down at all times and people entering campus will need to have gate cards for access to campus or they will be stopped and questioned as to their purpose on campus. All day, afternoon and evening activities will resume and we will perform our duties and responsibilities as normal. The only difference will be that the access to the campus will be monitored more strictly.

As a reminder, all employees are required to have and wear their ID cards. If you do not have one, you need to see Chief Wright and request one. The cost for replacement is \$5.00. Additionally, each employee is to use his or her gate card to access campus. The cost for a replacement card is \$5.00 and you can request a duplicate at the Guardhouse. All employees are to have and wear their ID card and use their gate card by Monday, September 24, 2001. Should you fail to have an ID card or gate pass by September 24, disciplinary action may result.

Further information will be provided to you regarding the Homecoming activities as soon as they are available. ISD has made contact with the Maryland School for the Deaf but has not received a confirmation from them at this time.

Thank you all for your wonderful efforts yesterday during this national tragedy. We all worked together to make sure that everyone was safe and did an excellent job!

Homecoming - The Maryland School for the Deaf has contacted ISD and confirmed that they will be here for the game. The Homecoming schedule will be printed in the Daily Bulletin by Friday. Let's all show up to cheer our ISD boys to a Homecoming Victory over MSD

Updated Homecoming Day schedule

9:00 a.m. Junior Varsity Volleyball against Maryland

10:00 a.m. Varsity Volleyball against Maryland

2:00 p.m. Varsity Football against Maryland

In addition to the Homecoming Football game, there will be two or three teams here for a three-way volleyball game. Please make sure that you support the ISD Girls' Volleyball team this weekend as the games are on campus. GO ISD!

Alumni Hall Library – The Library will be closed today at 1:30 and will reopen on Friday morning.

Brown & Willard Cafeterias—Please remember, when requesting to take your meal outside of the cafeteria, and are using your personal carryout containers, you must fill these containers, yourself, after receiving a regularly served tray of food from the cafeteria line. It is against the Department of Health regulations to have the Dietary Employees handle these personal food containers. Thank you.

FYI - In a previous notification printed in the Daily Bulletin, the announcement of an ice cream social sponsored by the PTCO for Deaf Heritage Week on Friday, September 14, 2001 was made. That has been changed along with the plans to celebrate Deaf Heritage Month in March. The ice cream social will instead be held on Monday, December 10, 2001 to co-celebrate Clerc's and Gallaudet's birthdays.

Sports Update

HS Volleyball - We didn't take advantage of Cherish Lewis' first match debut to overcome our turnovers against archrival Park Tudor. We were plagued with unforced errors in different areas, yet we excelled in making 11 aces. We led 9 - 3 in the first game and allowed them to catch up and jump us, 10 - 15. Again, we led 8 - 4 in the second game but couldn't finish them off, 12 - 15. Cherish contributed 3 serve aces and 5 kills along with 8 serve points. Player of the Match was Erica Hossler with 5 kills, 5 serve points, 100% serving and 2 aces. Our record is 7 - 6

MS Volleyball - The 7th and 8th Grade Volleyball Team had a roller coaster game against Sycamore and lost to them by 16 to 14 in the first game. We led the second game easily - 15 to 7. Then, my girls made a lot of errors by their easy serves and lost 15 to 5. But, our girls made an outstanding 9 kills and 4 blocks! We will play against them again in October so our girls will owe them! This Saturday we (7th & 8th grades girls only) will play a 4-way tournament at Emmaus Lutheran. I have confidence that they will play great and sail into the championship! They will play against Emmaus Lutheran at 9:30 a.m. Come and support them! Submitted by Coach Aimee Bippus.

5th and 7th Grade Girls Volleyball – We scored another victory for the team! The girls played Sycamore in three games- (15-12) (12-15) and (15-7). They were superb!! Coach Whited is very proud of them!. The record is 6-1.

Class of 1976 Reunion – The 1976 Class will have their reunion on Friday, September 14th and September 15th in the Caskey Classroom. The agenda is:

Friday	7 to 9 p.m.	Introduction and Viewing of Old High School Pictures.

O'Bannon urges Hoosiers to join Day of Prayer and Remembrance

Governor Frank O'Bannon today encouraged all Hoosiers to join in Friday's Day of Prayer and Remembrance for victims of terrorist attacks this week in New York City and Washington D.C.

O'Bannon issued a proclamation urging the citizens of Indiana to actively participate in the national Day of Prayer and Remembrance for those lost in the tragedies. He also ordered the state's 15-by-25 foot Garrison flag to be displayed in the Statehouse rotunda in honor of those lost or missing.

"I am asking all citizens and all state employees to pause from their work and remain in a full minute of silence at 11 a.m. Friday," O'Bannon said. "It is my hope that, during this minute, all Hoosiers will join in common thought, prayer or meditation over this week's startling events."

O'Bannon said state employees also are encouraged to wear red, white and blue clothing on Friday as part of the Day of Prayer and Remembrance.

"I also want to encourage Hoosier families to talk with their children and loved ones about why signs of American patriotism are important at times such as this," O'Bannon said. "During periods of national crisis in our past, and today, we are offered an opportunity to teach children about the need to love and serve our nation, and to stand with their nation."

In addition to the display of the state's garrison flag, O'Bannon encouraged Indiana families to display the American flag at their homes as a show of support.

In 1998, O'Bannon renewed the state's tradition of displaying the large Garrison flag in the Statehouse rotunda. The flag is displayed on appropriate national holidays, such as Memorial Day, Independence Day, Veterans' Day and Indiana Statehood Day.

What Can We Do to Help? - First, **DONATE BLOOD!** If you want to donate blood, all central Indiana Blood Banks will be closed today (between 10-4). BUT they will be set up downtown in Conseco Fieldhouse from 10:00am -4:00pm for a huge blood drive. This will hopefully help cut down on the 3-hour wait they have been experiencing the last two days.

Second, if you can't donate blood, and/or want to do more, the Lowe's in Avon is hosting a collection drive of supplies to send to NYC to help the rescue workers. They need batteries, flashlights, pillows, blankets, baby wipes, eye drops, canned food (non perishable and easy open), protein bars, juice, etc. Anything you think that would benefit the rescue people. If anyone would like to donate anything to this cause I will going out there each night and would be happy to drop off all supplies. You can leave them in my office G42 or in the payroll office G21. Thank you, Missy Betzold

DONATIONS TO PROVIDE RELIEF TO VICTIMS OF SEPTEMBER 11th TERRORIST ATTACKS

The Indiana State Employees' Community Campaign (SECC) has assigned code numbers for several funds that have been specifically established to provide relief to victims and their families of the September 11th terrorist attacks. These emergency funds are being administered by charitable organizations that already have a 501(c)3 ruling from the IRS. As we become aware of other qualified emergency relief funds, we will assign them a SECC code number and disseminate the information. State employees are reminded that donations through the SECC can only be made to organizations that have a 501(c)3 ruling from the Internal Revenue Service.

The September 11th Fund – SECC code 911010 This Fund has been established to help the victims and families of the terrorist attacks that occurred on September 11th in New York City and elsewhere in the United States. The purpose of the fund is to mobilize resources to respond to the pressing needs of the victims and their families and all those affected by the tragedy. The September 11th Fund was set up by the United Way and The New York Community Trust to receive donations from concerned Americans across the country. Funds will be administered by the two organizations, which will form a distribution committee to ensure that resources are deployed effectively in New York and other cities affected by these tragic events. The effort is supported by the Council on Foundations. The fund will provide immediate support to established emergency assistance agencies, such as the American Red Cross. It will also bring together the resources of other nonprofit health and human service agencies. Donors may further specify that their contribution be used only in Washington, D.C. (SECC Code 911011) or New York City (SECC Code 911012).

American Red Cross Disaster Relief Fund SECC, Code 911020 - The Red Cross reports, "In the wake of these traumatic events lies a wide path of catastrophic physical and psychological destruction in which countless victims will require assistance. In addition to meeting the physical needs of the affected regions, the American Red Cross will be providing crisis mental health counseling." "The American Red Cross is doing everything we can to ensure the immediate availability of the safest possible blood," said Dr.

Bernadine Healy, president and CEO of the American Red Cross. "We are also dispatching hundreds of trained disaster workers and mental health counselors to New York, Washington D.C. and elsewhere," she added. Monetary contributions may be directed to the Red Cross Disaster Relief Fund through the SECC. Contributions to this fund will be segregated from other contributions to the Red Cross and will only be used for disaster relief efforts.

E-5 Student Assessment and Achievement

- The number of students scoring above standard on statewide assessments will increase.

Performance Indicators

- a. All students will be assessed and the percentage of students participating in the assessment program will increase to 100%.
- b. All students in grades 3, 6, 8 and 10 will take the ISTEP+. If a child's individualized education program determines that ISTEP+ is not appropriate for that student, an alternative assessment will be used to test the student's achievement.
- c. The results of students in grades 3, 6, 8 and 10-12 who score above the Indiana Academic Standard on ISTEP+ improves at a rate which is at least as great as that of non-disabled students.
- d. The percentage of students, based on IEP determination, demonstrating progress on the IASEP will increase at a rate comparable to national and data.
- e. The percentage of students showing improvement in the SATHI assessment program will increase 10%.

Sports Update

HS Volleyball (Wednesday)- We traveled to Edinburgh's gym and played the Lady Lancers. We never stumbled, twisted, or screwed up as we played one of our finest games in long time. Our passing, setting, and attacking were extraordinary, and our serving and defense were solid. Candice Lisenby performed well in place of an absent Brooke Aldrete. Pia Marie Paulone assisted for 15 times, and Erica Hossler soared for 11 kills. Our current record is 9 - 8. The Player of the Match was Pia Marie Paulone with 15 assists, 6 points, 3 aces and 100% serving.

HS Volleyball (Thursday) - We upped our record to 10 - 8 breezing over Morton Memorial, 15 - 2 and 15 - 2. All of our 10 players got some action on the court. The team made 12 service aces and 2 errors, our season low. The Player of Match was Annalee Laird with 9 points, 3 aces and 100% serving.

Meeting Cancelled - The ISB/ISD Cost Savings/Collaboration Task Force meeting scheduled for Monday, September 24, 2001 **has been cancelled**. The meeting will be rescheduled at a later date.

JV Games Cancelled - The JV Football games on September 24 with Northwest and on October 1 with Cardinal Ritter have been cancelled due to IHSA regulations.

From Becky Smith's and Her Students - The students in my eighth grade class were very concerned about the attacks in New York, Washington D.C., and in Pennsylvania. The students decided they wanted to help the survivors, families of victims, and the rescuers. As a result of our discussion, 3 activities have been planned.

The first activity is a sponsored walk. The eighth graders would like the entire school to participate. This includes all staff and students except Pre-School. It will take place Thursday, September 28, at 1:00. Today (Friday), the students will pass out letters to parents, sponsor forms, and envelopes in which money raised can be put. Money can be collected immediately and turned in to department secretaries/supervisors, or it can be collected once the walk is completed. For

staff members wishing to participate in the walk, department secretaries/supervisors will have sponsor sheets and envelopes. We strongly encourage EVERYONE to help us in this worthy cause. The more participants we have, the more money we send to The American Red Cross.

Everyone participating in the walk is to meet at the west gate to campus between 12:45 and 1:00. Greg Wright from Security will meet us there and assist in any way he can. We would also like to have everyone wear red, white and blue on this day to show our pride and support in America. Monies should be returned to secretaries/supervisors no later than October 8th.

The second activity will be a dessert auction. Staff members will make/buy desserts and bring them to school Monday, October 1st. At 8:50, Middle school students will go to the auditorium along with any interested staff member and bid for the desserts of their choice. At 10:00, it will be High School students' turn. Again, any interested staff member may also bid on the desserts. We (the eighth grade students) will run the auction and take care of the money. Next week, we will ask staff members to sign up to bring desserts to be auctioned. Desserts may be homemade or purchased at a store/bakery. We hope all staff can bring a dessert. The more desserts we have, the more money we can send to The American Red Cross.

The third activity is being done with the Junior Class. You will notice jars have been placed in many offices across campus. These jars are for donations. Anyone with any spare change or money they do not need anymore is welcome to put it in these jars. Class representatives will be around next Friday to collect the jars. Again, please be generous. The fuller the jars, the more money we have to send to The American Red Cross. If you have questions, comments or brilliant ideas, contact Becky Smith in Middle School.

IBDA Pageant - The Indianapolis Black Deaf Advocates (IBDA) will host its annual Miss IBDA Pageant this December. If you are interested in participating or learning more about the pageant, come to the Easter Seals Rehabilitation Center at 4740 Kingsway Drive in Indianapolis on Saturday, September 29 from 3:00 to 5:00 pm. Pageant Sponsor, Tonya Issaac, will hold an open meeting to explain the pageant guidelines and the types of workshops available for contestants. For more information, contact Tonya at ISAACTONYA@aol.com, <http://HERE.AT/INDYBDA>, or INDYBDA@YAHOO.COM. You may also call Lisa Felter at 317-202-0921 (V/TTY).

Off Road Jamboree - The Indiana State Fair will host the 4 Wheel Off Road Jamboree from September 21 to 23. They will be using our property to park cars. The southeast lot will be fenced off on September 19. Participants will use the gates in those areas for vehicles to enter and exit. Please contact Greg Wright if you have any questions. This is the same event that has parked on campus for the past four or five years.

TO: All Staff and ISD Parents
FROM: George M. Stailey, Superintendent
SUBJECT: Reminder/Supervision of Children/Students

Children on campus who are not under the supervision of the school's staff are the responsibility of their parents.

There have been two incidents this year where children have been injured, because they were not supervised by their parents while on campus. The children were unattended and, in one case, 911 was called to assist with the injury. Additionally, there were several young children unattended and allowed to play without supervision during the Homecoming Football Game on Saturday, September 15.

For all students under the pre-arranged supervision of the school, whether during the day, evening or night, ISD will handle and administer all medical attention. For children not under the supervision of the school, the parents are responsible for illness or injury, and the Health Center cannot provide medical assistance. We will assist parents by placing a call to 911 for you in the event of illness or injury.

ISD will not be responsible for ISD students in the care of their parents or other children visiting campus while under the supervision of their parents. If you are an ISD staff member and have responsibilities that go beyond your work hours, you must make other child care arrangements. Staff members not supervising their own children while under their supervision may face disciplinary action.

Thank you for your attention to this matter and please feel free to contact me at 317-924-8400 TTY/Voice or gstailey@isfd.state.in.us should you have any questions.

News from Superintendent Stailey - As all of you know, the State of Indiana is facing some very difficult financial times. The Governor has made some decisions to make certain that the State does not fall short of funds. The decisions so far for ALL STATE AGENCIES are:

1. 7% reduction in the operating budget
2. Reduction of out of state travel by 50%
3. Strategic hiring freeze - hiring can still be done with justification and approval from the State Personnel Department
4. Suspension of all capital projects unless they due to an emergency or are necessary for safety and health.

As the nation's economy becomes more critical, there will probably be additional ways that the State will research to save funds. I will keep you informed about any new decisions that are made throughout the year. I am asking each of you to seriously consider requests that you make for funding and to be conscientious about using materials and equipment. We all have to work as a team to make sure that ISD has sufficient funding throughout this fiscal year. Thank you for your support and for your efforts in this matter. Remember the FISH!

Teachers & Staff - Effective immediately, all classroom door window strips should be uncovered due to possible emergencies making visual access into and out of classrooms essential. In addition, an open classroom door or an uncovered door window strip gives a warmer, friendlier, safer and much more productive feeling to any school building. Obviously, those are the feelings that we want all of the visitors to ISD to experience. Thank you all for your cooperation. - Principal Kovatch

AS SOME HOOSIERS RETURN, OTHERS LEAVE

Back home again: Greg Patterson and his wife, Karen, were alone in a crowd on Monument Circle after Patterson's return from task force duty in New York. He works at the Indianapolis Fire Department's Station 7.

Staff Photo: Mood Mahale Tolbert

Greg Patterson is also the Indianapolis Fireman that helped trained our High School students in scuba. We are thankful that he is safe and back in Indiana.

Yearbook News - You may have already had one of the Yearbook staff members stop by asking for necessary information such as your department roster. This is important for us to know so we can begin preparing our layouts. For example, if Outreach has 15 staff members, then we know to insert 15 individual photograph spaces and perhaps a candid picture or two in the layout. This way, the layout is ready and waiting when the pictures arrive in late November. (By the way, if anyone wants to follow up on past or future picture orders, see Mr. Morphew in the Vocational Building.) The ISD Yearbook staff does not shoot individual school pictures nor does it have anything to do with photo development.

If you are unable to give a Yearbook staff member information, pictures, and whatnot, please make an appointment with that staff member so that informational materials can be collected in a timely manner. Yearbook students need to focus on creating and producing the yearbook IN the yearbook room. Therefore, the less time they spend hunting OUT of the room for information, the more time they can devote to the actual publication. Yearbook class is from 12:45 - 1:35 daily. When a staff member has to go from one office to another in this big campus of ours, time is of essence. The ISD Yearbook is one of our "public relations" products. As stated, your support and assistance is always appreciated. Thank you. - This year's Yearbook students and their teachers are:

Cherish Lewis, Editor in Chief (Opening/Closing, Table of Contents, Seniors)

Scholastic Book Fair – The Annual Scholastic Book Fair will be Monday, November 26 through Friday, November 30, 2001. Proceeds from the book sale go to ISD Library Services. A special Activity Period may occur as the kick-off to the Book Fair on Tuesday, November 20. More details will follow in the *Daily Bulletin*.

Payroll News – Payroll has received a few e-mails regarding the last message not to fill out the bottom of the time sheet. To clarify the bottom, I mean the Section of the time sheet that says Overtime Summary. You may still put your comments in the comment section.

Recycling – The HS Community class will be collecting newspapers for recycling this year. The newspapers will be collect every Tuesday and Wednesday from 1:35 to 2:25. Staff, please leave your old newspapers next to your classroom or office door in the Vocational Building and Alumni Hall. The students will not disturb you during your class. Housekeeping staff, please leave the old newspapers in all classrooms in Buildings 6 and 7. If you have questions, please contact Suzanne Bono. Thank you for your help.

Opportunities

September 12, 2001

Dear Children:

Many Americans were injured or lost their lives in the recent national tragedy. All their friends and loved ones are feeling very sad, and you may be feeling sad, frightened, or confused, too.

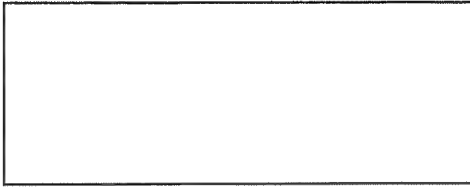

I want to reassure you that many people - including your family, your teachers, and your school counselor - love and care about you and are looking out for your safety. You can talk with them and ask them questions. You can also write down your thoughts or draw a picture that shows how you are feeling and share that with the adults in your life.

When sad or frightening things happen, all of us have an opportunity to become better people by thinking about others. We can show them we care about them by saying so and by doing nice things for them. Helping others will make you feel better, too.

I want you to know how much I care about all of you. Be kind to each other, take care of each other, and show your love for each other.

With best wishes,

Laura Bush

September 12, 2001

Dear Students:

On September 11, 2001, many Americans lost mothers, fathers, sisters, brothers and friends in a national tragedy. Those who knew them are feeling a great loss, and you may be feeling sorrow, fear and confusion as well.

The feelings and thoughts that surround this tragedy are as plentiful as they are conflicting. I want to reassure you that there are many people -- including your family, your teachers, and your school counselors -- who are there to listen to you.

September 11 changed our world. But with each story of sorrow and pain comes one of hope and courage. As we move forward, all of us have an opportunity to become better people and to learn valuable lessons about heroism, love and compassion.

As we mourn those who died, let us remember that as Americans, we can be proud and confident that we live in a country that symbolizes freedom and opportunity to millions throughout the world. Our nation is strong, and our people resilient. We have a well-earned reputation for pulling together in the worst of times to help each other.

I send my best wishes and my hope that you will always take care of your family, friends, neighbors and those in need.

Sincerely,

Laura Bush

IAD Donations - It has been brought to my attention regarding an annual financial contribution campaign initiated by state agencies in Indiana this month. Some of those who wish to donate to IAD during the campaign through their state employment agencies requested for certain information relative to SECC (State Employee Contribution Campaign) code for IAD.

At present Indiana Association of the Deaf (IAD) does not have a code for SECC; however, IAD is a member of the United Way and Aid's UW Code is 5096. Please cross (x) besides "others" and a specify code on a form. So you put the code in it, indicating that you may wish to donate to IAD specifically.

You may either donate to IAD by sending a check or money order (no cash accepted) to Robert Downing, Jr., IAD Treasurer, 10167 N. Balfer Dr. E, Fortville, IN 46040. Please write out "Indiana Association of the Deaf" on your check with a memo "Donation 2001". Because IAD is a 501 (C) (3) organization, your donation will be fully tax deductible. This announcement applies not only to state employees but also to federal and private employees as well. Thank you. - Wayne Arnold, President, Indiana Association of the Deaf

University of Kentucky hosts NATIONAL EXHIBIT OF DEAF HISTORY - Sept. 10, 2001 -- (Lexington, Ky.) -- The University of Kentucky and > the Kentucky School for the Deaf in Danville will host in October a> national exhibit that chronicles nearly 200 years of U.S. deaf history. "History Through Deaf Eyes" features photographs, objects, replicas, > text and an interactive DVD that highlight the little known history of >deaf Americans. A section specific to Kentucky's deaf heritage is part of the exhibit, which allows its host to specialize an area of the exhibit. The exhibit was organized by Gallaudet

University, a college for the deaf and hard-of-hearing in Washington, D.C. This is the second showing of the exhibit, which has been seen only in Hartford, Conn., at the American School for the Deaf. The American School, a privately funded institution created in 1820, is the first U.S. school for the deaf. The UK showing is co-hosted by the Kentucky School for the Deaf, the first publicly funded school for the deaf in the United States, which opened in 1823, and served as a model for public schools for the deaf. Harvey Corson, Superintendent of the Kentucky School for the Deaf, served as a consultant to Gallaudet in creating the exhibition. "History Through Deaf Eyes" will open Oct. 1 with a special event from 3 to 5 p.m. in the UK Student Center Great Hall. The exhibit will be open 11 a.m. to 5 p.m. Monday to Saturday through Nov. 3 in the Rasdall Gallery, adjacent to the Great Hall. The gallery may be opened by appointment for groups by calling (859) 257-5781. A lecture series is planned for Thursday evenings during the exhibit, and the gallery will be open extended hours during a lecture event. Following the UK showing, the exhibit will travel to William Woods University in Fulton, Mo. In 2002, the exhibit will be seen in Philadelphia; Rochester, N.Y.; and the Smithsonian Institution in Washington, D.C. "History Through Deaf Eyes" was made possible by a major grant from the National Endowment for the Humanities and support from The Motorola Foundation, The John S. and James L. Knight Foundation, The Rockefeller Foundation, SBC Foundation and the BFGoodrich Foundation.

The clinic will be provided by "Coming of Age," and checks should be made payable to that name. This clinic is open to students, their parents and ISD staff. Please contact the HC if you have any questions.

Class of 2001 Composite – The composite picture for the Class of 2001 is now hanging in the main hallway in the Alumni Hall, just west of Mr. Andrew Metz's office doorway. The Class of 2000's composite was taken down and will be stored with other composites in the archives room.

Books Are Fun – A company named "Books are Fun" has brought in some books for staff to purchase at a 40% - 75% savings. If you wish to see what books are available, they are on display in the Alumni Hall Library. Fill out an order form and the Regional Manager will come by and pick up the orders, and then deliver them to the Alumni Hall Library. Payment will be due upon delivery. Periodically, different books will be delivered to purchase with that same savings. Stop by the Alumni Hall Library and check out these books.

JV Games Cancelled – The JV Football games on September 24 with Northwest and on October 1 with Cardinal Ritter have been cancelled due to IHSAA regulations.

From Becky Smith's and Her Students - The students in my eighth grade class were very concerned about the attacks in New York, Washington D.C., and in Pennsylvania. The students decided they wanted to help the survivors, families of victims, and the rescuers. As a result of our discussion, 3 activities have been planned.

The first activity is a sponsored walk. The eighth graders would like the entire school to participate. This includes all staff and students except Pre-School. It will take place Thursday, September 27, at 1:00. Today (Friday), the students will pass out letters to parents, sponsor forms, and envelopes in which money raised can be put. Money can be collected immediately and turned in to department secretaries/supervisors, or it can be collected once the walk is completed. For staff members wishing to participate in the walk, department secretaries/supervisors will have sponsor sheets and envelopes. We strongly encourage EVERYONE to help us in this worthy cause. The more participants we have, the more money we send to The American Red Cross.

Everyone participating in the walk is to meet at the west gate to campus between 12:45 and 1:00. Greg Wright from Security will meet us there and assist in any way he can. We would also like to have everyone wear red, white and blue on this day to show our pride and support in America. Monies should be returned to secretaries/supervisors no later than October 8th.

The second activity will be a dessert auction. Staff members will make/buy desserts and bring them to school

**American

Together, we can save a life

Monday, October 1st. At 8:50, Middle school students will go to the auditorium along with any interested staff member and bid for the desserts of their choice. At 10:00, it will be High School students' turn. Again, any interested staff member may also bid on the desserts. We (the eighth grade students) will run the auction and take care of the money. Next week, we will ask staff members to sign up to bring desserts to be auctioned. Desserts may be homemade or purchased at a store/bakery. We hope all staff can bring a dessert. The more desserts we have, the more money we can send to The American Red Cross.

The third activity is being done with the Junior Class. You will notice jars have been placed in many offices across campus. These jars are for donations. Anyone with any spare change or money they do not need anymore is welcome to put it in these jars. Class representatives will be around next Friday to collect the jars. Again, please be generous. The fuller the jars, the more money we have to send to The American Red Cross. If you have questions, comments or brilliant ideas, contact Becky Smith in Middle School.

IBDA Pageant - The Indianapolis Black Deaf Advocates (IBDA) will host its annual Miss IBDA Pageant this December. If you are interested in participating or learning more about the pageant, come to the Easter Seals Rehabilitation Center at 4740 Kingsway Drive in Indianapolis on Saturday, September 29 from 3:00 to 5:00 pm. Pageant Sponsor, Tonya Issaac, will hold an open meeting to explain the pageant guidelines and the types of workshops available for contestants. For more information, contact Tonya at ISAACTONYA@aol.com, <http://HERE.AT/INDYBDA>, or INDYBDA@YAHOO.COM. You may also call Lisa Felter at 317-202-0921 (V/TTY).

Teachers & Staff - Effective immediately, all classroom door window strips should be uncovered due to possible emergencies making visual access into and out of classrooms essential. In addition, an open classroom door or an uncovered door window strip gives a warmer, friendlier, safer and much more productive feeling to any school building. Obviously, those are the feelings that we want all of the visitors to ISD to experience. Thank you all for your cooperation. – Principal Kovatch

Outreach Services, Case Conference Coordinator - The Case Conference Coordinator facilitates the conference process and the case conference committee meetings. The Case Conference Coordinator works 10 months and reports to the Director of Outreach. Responsibilities include facilitating case conferences; coordinating pre and post conference activities; completing all paperwork within federal and state guidelines; consulting and mediating with LEA's, parents, and staff; and providing inservice training. Qualifications include Indiana teaching license (or ability to obtain an Indiana license) in deaf education; extensive knowledge of federal and state laws, rules, and regulations governing special education; excellent facilitation and communication skills including written English and ASL.

IAD Donations - It has been brought to my attention regarding an annual financial contribution campaign initiated by state agencies in Indiana this month. Some of those who wish to donate to IAD during the campaign through their state employment agencies requested for certain information relative to SECC (State Employee Contribution Campaign) code for IAD.

At present Indiana Association of the Deaf (IAD) does not have a code for SECC; however, IAD is a member of the United Way and Aid's UW Code is 5096. Please cross (x) besides "others" and a specify code on a form. So you put the code in it, indicating that you may wish to donate to IAD specifically.

You may either donate to IAD by sending a check or money order (no cash accepted) to Robert Downing, Jr., IAD Treasurer, 10167 N. Balfer Dr. E, Fortville, IN 46040. Please write out "Indiana Association of the Deaf" on your check with a memo "Donation 2001". Because IAD is a 501 (C) (3) organization, your donation will be fully tax deductible. This announcement applies not only to state employees but also to federal and private employees as well. Thank you. - Wayne Arnold, President, Indiana Association of the Deaf

Good News for Athletic Department – The Athletic Department welcomes back Richie Crock as our trainer. He returned after a month stint with MSSD Athletic Department and is looking forward to working with our athletes, coaches, and parents. He definitely used the "Orange Key" that students gave him as farewell gift to return to ISD anytime. Welcome back, RC!!!

Technology Update - If you experience any technical problems, that are not considered emergency, please create PRAT ticket for them through your department help desk leader.

Some information on how to resolve printer problems was explained at the Open Forum. If you attended or know how to resolve printer problems, please attempt to resolve it yourselves. If you have not attended, please just create a new PRAT ticket, and we will explain when we visit you.

Many of you asked us about PrintShop constantly. Because that piece of software contains 11 CDs, I am still struggling on how to implement it in your Novell Application Launcher (NAL) window; the interim solution is to use Microsoft Publisher. I am not saying that Publisher is better than PrintShop or anything like that, but I can say that Publisher gives you everything you need to create banners, posters, pamphlets, etc. The icon for Publisher is in your NAL under the miscellaneous folder.

The following statement applies to Word, Excel, Access, and Publisher....

If you wish to insert a clip art picture, PLEASE do not use the pictures that appear in the clip art "library" because it will prompt you to "insert a CD". Instead, please click on the "Clip Art Online" which will take you to their Internet site, which contains thousands of great pictures for downloading. When you choose a picture to download, that picture will appear in the clip art "library" for you to choose and insert into your document.

AFLAC – Two representatives will be on the first floor of the Alumni Hall Building on Wednesday, September 26th from 11:00 a.m. – 4:00 p.m. AFLAC is the #1 provider of supplemental health products. An interpreter will be provided from 11:00 a.m. – 2:00 p.m. Stop by and sign up for free door prizes and free cookies all day.

Desserts Needed for Auction – Middle School will have an upcoming dessert auction on October 1st at 8:50 a.m. for Middle School students and any other interested staff. We need any kind of dessert for our dessert auction – cakes, pies, cookies, cupcakes, Ho-Ho's, Ding-Dong's, fruit snacks, etc. please email Carol Keller letting her know if you can bring a treat or two or three!!! Thanks so much – Carol Keller.

Activity Period Schedule for Wednesday – Both the HS and MS will meet in the auditorium for a presentation from the students and sponsors who were involved in the Deaf Leadership Expedition Outward Bound Program this past summer on Wednesday, September 26.

Recycling – The HS Community class will be collecting newspapers for recycling this year. The newspapers will be collect every Tuesday and Wednesday from 1:35 to 2:25. Staff, please leave your old newspapers next to your classroom or office door in the Vocational Building and Alumni Hall. The students will not disturb you during your class. Housekeeping staff, please leave the old newspapers in all classrooms in Buildings 6 and 7. If you have questions, please contact Suzanne Bono. Thank you for your help.

Interpreter Feedback Forms - - - What happens when you give feedback?

As you know, the Interpreting Office sends out confirmation/feedback forms for all assignments. Upon completion of an assignment, if you want to give feedback to the office, we encourage you to do so. You may be wondering what happens with the information once it reaches our office.

All positive feedback is given directly to the interpreter(s) involved. This helps interpreters know they are on the right track and passing on a good word can make someone's day.

Constructive feedback is handled differently. The team leader, BJ Collins, reviews your comments and determines the seriousness of the feedback. If it is something not too grave, (ex: a few minutes late, inappropriate attire, etc.) it is kept on file. If a pattern develops, or if an interpreter has several incidents reported, the interpreter and the team leader will discuss the issue(s). If it is of a more serious nature, (ex: the interpreter was clearly out of role, was unable to follow the participants throughout the meeting, etc.) the issue will be dealt with more immediately. In both cases, before meeting with the interpreter, the team leader will be contacting you, as the provider of the feedback, to ask if you are comfortable with the details of the incident being given, such as your name and other specifics. Additional information may be sought from you at this time in order to provide clarification.

If you prefer your name not be used, it will not be. We want to encourage honest feedback and at the same time respect your right to privacy.

We encourage you to be forthright in your provision of feedback so we can continue to improve the quality of interpreting services here at ISD. If you have any questions or comments regarding our feedback policy please contact BJ Collins at #924-8419 or stop by the Main Bldg. Room #227. Thanks everyone!!

Sports Update

HS Volleyball - Last night, The HS Girls played 2A Cardinal Ritter at their Raider Gym and raided them with our excellent execution in everything. We played with Enthusiasm and Great Optimism and performed our assignments nicely. It was a great battle for both teams as we won 15 - 12 and 15 - 13. Pia Marie skillfully accompanied our hitters for 12 assists. Our record is 12 - 8. Olathe, Here We Come!!!!

The Player of the match was Jordan Jeter with 4 kills and a defensive presence at the front row.

7th/8th Grade Volleyball - The team played Park Tudor last Wednesday and were down by 2 in the first set (13-15). The girls easily defeated them in the second and third sets (15-10 and 15-9). The team overcame their jitters and improved on their errors. The team was all smiles after two losses in a row. Their current record is 6-3. Great job, girls!!

Goal Committee - The goal committees will be meeting again Friday afternoon from 1:00 - 3:00. The location for the committees are as follows:

- Language Arts - Library
- Mathematics - Kay Seller's room
- Student Discipline - Vocational Room (next to Dan Stutler's office)

For Friday's meeting, please bring the following:

- Data profile copy that was distributed at the first meeting on September 7th
- For the Language Arts committee, your copy of the Indiana Academic Standards for English/Language Arts
- For the Mathematics committee, your copy of the Indiana Math Academic Standards

Preschool staff will work on teacher observation list as part of NAEYC accreditation from 1:00 to 3:00 pm.

Technology Update - We are pleased to announce some changes in GroupWise that we believe will benefit everyone. Many thanks for your feedback and opinions that led us into making this change. Please continue to feed us feedback and opinions on anything on your technology, as they are valuable information for us.

In the past, all messages and appointments in your mailboxes would have been purged automatically after they aged 90 days. All items in your GroupWise trash cans (not Windows trash can) would have been automatically purged after they aged 7 days. The primary goal of this purge is to help manage our limited disk space.

This is now changed!

Instead of relying on the age of each message, we will now rely on your mailbox total size regardless of their age. We have granted every account **25 megabytes** of disk space. You no longer will need to worry about archiving or printing messages that are older than 90 days. Instead, when the system informs you (automatically) that your mailbox storage is past 80% of your allocated 25 megabytes. It will guide you on how to reclaim your disk space by purging messages in your GroupWise trashcan, and other methods.

Second improvement (especially for all Teachers and Residential Staff)...most of you are aware that there are two ways of getting your email...through use of client-based GroupWise software (icons) and through use of web-based GroupWise webaccess (<http://isdstaff> and <http://webmail.state.in.us>). The client-based version requires installation of software on the computer you use. The web-based version require no installation at all.

We realize that there are some features and benefits of using the client-based version over web-based version. Some functions are simply much easier with client-based version than web-based version. So, everybody (especially teachers and residential hall staff) now have access to the client-based version through their Novell Application Launcher (NAL). Look in the miscellaneous folder and you will find GroupWise icon. Double-clicking this icon for the first time will perform installation automatically

Basically, ALL staff now have two choices ... client-based or web-based GroupWise, and use either version that works best for you. However, when you are off campus, you will be required to use the web-based GroupWise through <http://webmail.state.in.us>. We will offer training for both versions very soon. - Technology Center Staff

Opportunities

IAD Donations - It has been brought to my attention regarding an annual financial contribution campaign initiated by state agencies in Indiana this month. Some of those who wish to donate to IAD during the campaign through their state employment agencies requested for certain information relative to SECC (State Employee Contribution Campaign) code for IAD.

At present Indiana Association of the Deaf (IAD) does not have a code for SECC; however, IAD is a member of the United Way and Aid's UW Code is 5096. Please cross (x) besides "others" and a specify code on a form. So you put the code in it, indicating that you may wish to donate to IAD specifically.

You may either donate to IAD by sending a check or money order (no cash accepted) to Robert Downing, Jr., IAD Treasurer, 10167 N. Balfer Dr. E, Fortville, IN 46040. Please write out "Indiana Association of the Deaf" on your

check with a memo "Donation 2001". Because IAD is a 501 (C) (3) organization, your donation will be fully tax deductible. This announcement applies not only to state employees but also to federal and private employees as well. Thank you. - Wayne Arnold, President, Indiana Association of the Deaf
